## Zions Bank Show

The Zions Bank Show was a great event held May 19th at the Zions Bank building. We saw many of our artists friends at the show. They plan on holding the next Provo one in 2025 and we'll announce when they start to accept applications to the show so that you can be well informed and apply to be in it.

## Spotlight on Bill Brown

Recovering from a stroke and he still entered the Plein Air show. He is a long time supporter of UCAB with him and his wife, Marilyn. They own Brown Gallery in Springville.
